## **DISCOVER TURKISH MARBLE WITH MOTİF LTD.**

*Anatolia is kneaded with various ancient civilizations, always has the effect of making a visitor feel he has stepped into a land outside time.*

*The enduring, aesthetic, decorative and sophisticated MARBLE has been the foundation stone of these civilizations for many ages.*

*TURKISH MARBLES being used in the temples, monuments, and sculptures of the Ancient Hellenistic and Roman periods; Byzantine churches, palaces, mosques of Seljuk Turks and Ottoman Empire has discovered the secrets of making these civilizations eternal.*

***Motif Ltd.** today's representative of this magnificent past; is pleased to present the marble, granite, limestone and travertine samples with various kind of photographs taken from our latest international project, is Sberaton Voyager Antalya Hotel, TÜRKİYE.*
